## TERMS AND CONDITIONS

**TERMS**—The terms are cash—all payments must be made to the Clerk of the Sale, and no release will be given until satisfactory settlement has been made.

**BIDS**—The highest bidder will be the buyer. In case of dispute, the animal will again be put up for advance bids between the contending parties, and if there be no advance bid, the buyer will be the party from whom the auctioneer accepted the last bid.

**RISK**—All animals are at purchaser's risk as soon as sold, but will be cared for free of charge for a reasonable time.

**ERRORS**—If typographical or other errors are noted in the catalogue, announcement of corrections will be made from the Auction Stand, and such announcements will take precedence over the matter in the catalogue.

**PEDIGREES**—All animals sold are, or will be registered in the Herd Book of the Breed Association of Canada. Transferred registry certificates will be forwarded to the purchaser of each animal.

**HEALTH**—All animals are Fully Accredited T.B. Free. All animals will have passed a Negative bloodtest for Brucellosis within 30 days of sale, or otherwise conform to health requirements as approved by the Dominion Health of Animals Branch.

**SHIPMENTS**—All possible aid will be given in making shipments after the sale. Any expenses incident thereto are at cost of the purchaser. Purchasers are requested to furnish all shipping instructions and correct address at time of making settlement.

**WARRANTIES**—(1) Seller guarantees right and title to property. (2) Unless otherwise noted in the catalogue or announced from the Auction Stand, each animal is sold as sound. (3) Each animal is sold as a breeder subject to the following conditions:

A. Males—Should any bull, after having reached the age of 15 months, fail to prove a breeder after being used for four months on cows known to be breeders, the matter shall be reported in writing to the seller who will then have the privilege of four months on his own premises to prove the bull a breeder, before refunding the full purchase price or make other settlement satisfactory to the buyer.

B. Females—Any female, pregnant when sold, or that calved normally within 90 days of the Sale will be considered a breeder. Bred females are sold as "pregnant" to the best of the seller's knowledge, and the result of pregnancy examinations will be announced from the stand. However, seller does not guarantee that a pregnant female will deliver a live calf. Any female not pregnant when sold or that on having reached the age of 18 months should fail to conceive after having been bred regularly for four months to a bull known to be a breeder, and treated by a competent veterinarian, should be reported in writing to the sale managers. The seller will then be granted the privilege of a further period of 4 months to prove the female a breeder in his own premises before refunding the purchase price as full adjustment or make other settlement satisfactory to the purchaser.

(4) The seller is not responsible for damage caused by foreign bodies after the animal is sold, inclusive of mummified calves, nor for sickness not apparent at sale time.

(5) All transportation charges on animals returned to the seller are for account of the purchaser. No incidental expenses such as feed, care, veterinary charges, etc., will be charged by either party when making settlement.

**ACCIDENTS**: The Auctioneers, Sale Managers, or Seller will in no way be responsible for the condition of the grounds or the behaviour of the animals and disclaim any liability in the event of personal accident or property loss.

**RESPONSIBILITY**: It is clearly understood that the Sale Management is acting only as intermediary between buyer and seller and is not responsible for any failure by either party to live up to their obligations. Any legal action that may in extreme cases have to be taken must be between buyer and seller and will in no way involve the Sale Management. In every case, however, the influence of the Sale Management will be exerted so far as possible to hold both parties strictly to these Terms and Conditions of Sale. The Sale Management will decide any point not covered by these regulations.
